Natives Nominal - Texans Steady - Hogs Closed Essy-Sheep Strong.

Native Cattle-A thirough cleanup having been effected Friday, and nothing having arrived, the closing day was quiet under nominal conditions. Heef steers now average a little stronger than a week age, with the very best grades possibly a dime better, butener cows and neifers slightly higher and good foeding steers showing a little advance, while sil other stock cattle held an unchanged tone, with the light weights quite slow. Veal maintained an extreme top of \$5.75 to \$5, buts declined like to lie, and the most devistable milch cows gained around \$2.50 per head in value.

Southern Cattle-A single load of \$2.50, grass steers from Benvides. Tex., constituted the arrivals in the quarantine yards. They brought \$1.50, which was conducted a steady price compared winds to stoady to a single stronger than the close of the week previous. The week's recipita amount to \$62 cars, which is \$3 less than last week, and 191 more than the corresponding week a year ago,

MONEY MARKET GOVERNED

STOCK MOVEMENT. Goulds and Rockefellers Said to Have Something Up Their

Sleeves.

REFUELIC SPECIAL. New York, June 21.-There was nothing of novelty and little of interest in the stock market of last week. So far as sentiment is concerned, there was no change, burface surface Wall street finds fundamental conditions most satisfactory, and the hopeful scherally hold to the theory that a period of duliness is due and that the market will be none the worse in the end for an interval of rest. They re-enforce their theory by the statement that important interests are discouraging activity at the present time and the belief is general that the broader
